First of all thank you for your time! The attached letter explains a little bit about the new scholarship/sponsor program we are implementing for the first time for the upcoming 2011 season. Yes football and our football is a fall program; however, our sign up takes place the first week of May and we need to get things rolling. After reviewing the letter please feel free to contact any of the below members, we'd be happy to stop in person or receive any phone calls or emails to further answer any questions or just to tell you a little more about the program. We also have now had a website, [www.barabooyouthfootball.net](http://www.barabooyouthfootball.net), for the last two years to help in better communication with our parents, please check it out when you have a chance! Just for a brief storyline we offer full tackle football for grades 2<sup>nd</sup> through 6<sup>th</sup>, boys & girls. This last season we had our second highest enrollment of 148 kids and also implemented a completely new program, training DVD's for our coaches, training sessions for the coaches, detailed playbooks, and also brought on board a coordinator to work with our coaches in achieving our goals. The program is part of the Badger Alliance now involving 13 other cities and was actually founded by past Baraboo members. We have always wanted to make sure all kids can play and are the lowest cost enrollment of the other cities. Our kids also partake in a fundraiser each year to help in keeping enrollment cost down and the purchase of new equipment. All of our board members and coaches are all volunteers, parents like you helping and teaching our kids about a positive sports experience. In the past there have been numerous individuals and businesses that have been tremendous to the program, priceless for us! Now we are looking to reach out to some more and use our website to in turn help them, thank them and show them off a little. The program is very open-minded and certainly would welcome any additional ideas or suggestions, just let us know!!

# Scholarships for Baraboo Youth Football

The goal of BYF is to provide the opportunity for and to promote football for youth grades 2 to 6 in Baraboo and the surrounding area. It is also our goal to teach the fundamental football skills including sportsmanship and teamwork. As an association we want to ensure that all participants have a positive and fun experience, which in turn will create an enthusiastic attitude toward Baraboo Football.

Financial donations to BYF are greatly appreciated and helpful. In addition to funding our scholarship program, financial contributions enable BYF to provide our players with the safest and most protective youth football equipment available. The cost to fully equip each player is over \$350. Each year BYF spends the majority of its funds purchasing new equipment. This equipment allows us to both continue our growth and replace equipment which is no longer serviceable or lost.

For your contribution, we will have a sponsor page on our website (approx. 1300 hits/year) and be awarded a sponsor plaque. You will also receive an update from a scholarship recipient mid season.

All contributions are tax deductible. On behalf of those who have contributed, it has truly been gratifying to give back to the football community, especially youth football. These kids are our future, so why not invest in them? The financial aid you are providing means so much to the children that are assisted.

If you would like to send a donation to BYF "In honor of" or "In memory of" someone please follow the guidelines below:

- Print clearly in the memo of the check who the donation is "In honor" of or "In memory" of.

Please include your address (if not written on your check) so BYF can send you a "thank you" letter for your donation

Please send a check or money order in \$25.00 increments made out to Baraboo Youth Football to:
